- Great Job to our **Anime Club students AJ Weber, Sarah Voudrie, and Dayne Cole** for their outstanding job representing SHS on WHCO this week. What AWESOME kids!

- Congratulations to **Logan Shaw on her performance at the Section 22 Public Speaking CDE** (career development event)! This was the first contest Logan had participated in, and she did very well. She spoke in the "FFA Creed" category where she had to memorize the entire FFA Creed and deliver it to a panel of judges. Each school from Section 22 can have 2 participants in this category, and Logan placed 8th overall! Please join me in congratulating her on her great performance!
- Our teachers voted! We will be proceeding with **taking IAR this Spring** instead of having students take it in the fall and again Spring 2022. Remember, WE ARE NOT GOING TO STRESS THIS TEST!
- Please spread the word the district has the **following openings: SHS Special Education; SLS 8th grade Science; SLS Custodian; SLS K-4 Interventionist; District SLP!**
- **Check out our flyers attached for: SHS Bowling; Leo Lair Spring Flings; Youth Poetry Contest; and Head Start.**
