- The **remote learners to return to school at the quarter vs. semester** decision was supported. If you have a remote learner who attends Lincoln, please email alaramore@sparta140.org; EAC, jschlueter@sparta140.org; and SHS jmontroy@sparta140.org **BY 9/21** for your child to return to school on 10/19 so teachers can adequately prepare and effective scheduling changes can be made. If you do not make contact by that date, your child will be forced to remain remote until the end of the semester with a return in January. Fluctuating back and forth from remote to in person learning is NOT permitted.
 - An excellent idea was brought to the board of education by a parent last night about allowing **remote learners to meet with teachers in person on Remote Learning Wednesdays**. Your child's teacher will be communicating with you shortly to make this possible.
 - Beginning 10/16 our teachers will work until **2 pm instead of 3 pm** to compensate them for their extra time worked in the mornings.
 - If you are having issues with your **jetpacks**, it may be a service area issue. Try going to the place in your home that allows the most bars to appear on your device. We are a very rural community, so service is sketchy.
