November 6, 2020

!WASH YOUR HANDS!*!WATCH YOUR DISTANCE!*!WEAR A MASK!

- **We appreciate your support** and understanding of the quick decision to transition to remote learning for **11 school days** district wide November 9-27, with in person learning resuming November 30. This will allow for additional deep cleaning and ventilation of any germs or virus. We are hopeful we will get all of December in person safely before the holiday break! **We are so thankful for our flexible, amazing staff who's number one priority is serving our students safely!**
 - Please ensure you **check your email** and your child's school Facebook for updates on remote learning, breakfast and lunch service, etc. during the temporary transition period.
 - Our **Monday Self-Care Challenges for this week was to stay positive amidst results of the election.** Even if your candidate loses, you shouldn't lose hope. While you may feel powerless you have more power than you think. Individually, you can't control who wins the election but you can control what you do the day after tomorrow. The President will be in control of running the country but you and only you are in control of running your life. Leadership is important. But one person doesn't make America. We make America.
 - You can be happy.
 - You can work hard.
 - You can love others.
 - You can make a difference.
 - You can pray for the President to lead well and make great decisions.
 - You can invent something that changes the world.
 - You can start and build a successful business.
 - You can inspire your students and believe in them.
 - You can help heal someone.
 - You can feed the poor and help the needy.
 - You can raise your children with great values and principles.
 - You can love, serve and care.
-
